# WILDLIFE GARDENING SERVICES

---

## *I PROVIDE THE FOLLOWING SERVICE :*

- CONSULTATION
- DESIGN
- CREATION
- MAINTENANCE

### **1. Consultation**

A visit to your garden to discuss ideas, aspirations and potential for your individual situation. This should point you in the right direction (£25 plus travel costs - and a cup of tea!).

### **2. Design**

A written report providing a clear step-by-step guide for you to follow that will improve your garden for wildlife. Everything from planting schemes to habitat selection (£35).

### **3. Creation**

Habitat improvement works. This will suit you if you are interested in creating new wildlife areas or re-vamping existing ones but don't have the time or energy to do it yourself. Everything from nestboxes to wildflower meadows. (Quotation available on request).

### **4. Maintenance**

All aspects of practical wildlife garden management. This will ensure that your wildlife areas remain in first class condition and continue to attract wildlife year after year. Everything from pond clearance to bird tables. (Quotation available on request).
