

## **2024 Beekeeping Classes**

The West Glamorgan Beekeepers Association has a responsibility to promote Bee Keeping in the local community

To achieve this, we hold yearlong classes in Beekeeping

The Course will include:

1. 10 Theory Classes
2. Weekly Practical Classes from May – October  
with competent Association Beekeepers in attendance at our training apiary in Penllergaer, Swansea.

The Practical lessons will also include:

1. Honey extraction
2. Varroa control
3. Preparation for winter

The cost of the course is £110 which includes membership to the WGBKA for your first season

To register for the course please go to our web site at:
